- **Networking Skills & Tools:** TCP/IP Protocols, Routing and Switching, Crimping, CISCO Packet Tracer

## PROFESSIONAL EXPERIENCE

uTest (remote)

Apr 2024 to date

Quality Assurance Engineer (freelance)

### Achievements & Responsibilities

- ▣ Conducted comprehensive manual testing on websites, mobile applications, and web applications to ensure optimal performance.
- ▣ Executed API testing using Postman, enhancing the reliability of backend services.
- ▣ Collaborated with cross-functional teams to identify and resolve defects, improving overall product quality.

Innorik | Accra, Ghana (hybrid)

Nov 2024 to Aug 2025

Full-Stack Developer (national service)

### Achievements & Responsibilities

- ▣ Developed frontend features and components to fetch and display data via APIs.
- ▣ Optimized frontend applications for responsiveness, performance, and seamless integration with backend systems.
- ▣ Integrated RESTful APIs into React ERP systems.
- ▣ Collaborated with the frontend team on React projects to refactor 5K+ lines of legacy codes, reducing integration bugs by 30% through consistent testing
- ▣ Delivered 5+ production-ready features using React.js and .NET, improving user task completion rate by 25%.

SLB | Takoradi, Ghana (on-site)

Oct 2023 to Dec 2023

Engineer (intern)

### Achievements & Responsibilities

- ▣ Took inventory of tools for logging petrophysical data from oil wells.

- ▣ Executed departmental housekeeping tasks including system integrity checks, data validation and quality assessment.
- ▣ Designed presentations to support internal departmental campaigns.
- ▣ Participated in a company-wide outreach programme driving education on data safety protocols.

**AmaliTech | Takoradi, Ghana (on-site)**

**May 2023 to Jun 2023**

**Frontend Developer** (intern)

**Achievements & Responsibilities**

- ▣ Developed interactive features for an e-commerce website to increase customer engagement using JavaScript.
- ▣ Built and styled new responsive layouts for existing landing pages with CSS and Bootstrap.
- ▣ Proposed and implemented design changes and frontend improvements to enhance website functionality and visual appeal.

**Ghana Rubber Estates Ltd (GREL) | Abura, Ghana (on-site)**

**Oct 2021 to Nov 2021**

**I.T. Technician** (intern)

**Achievements & Responsibilities**

- ▣ Performed routine checkups and maintenance on company computing and networking devices to ensure optimal performance.
- ▣ Troubleshoot hardware, software, and network issues, minimizing downtime.
- ▣ Prepared technical reports to document system status and maintenance activities.
- ▣ Gained proficiency in SAP software for business process management.
